RE: RECOMMENDATION FOR COSMAS MOJI

I am pleased to recommend and confirm that Cosmas has been a resident of ARIWA VILLAGE 19, Rigbanga Parish for more than 6 years. registered with Refugee No DLL-00053926. I have known him personally during this period.

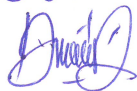

While with us, Cosmas worked as youth leader, vice chair person for village 19 in 2018 and 2020. He has supported the community a lot.

Cosmas Moji has good moral character, hardworking diligent and team player. He is self-driven and has no criminal record in the community where he is living.

I believe that when offered this opportunity, he can able to achieve the assigned tasks and Project goals. feel free to reach me for any information.
